

# ROTARY CLUB OF GOLETA NOONTIME

## Schooner Mini Edition

Volume 21, Issue 6

Editor: Barbara Klein

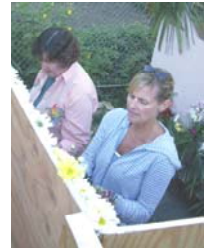

August 5, 2008

Editor, Barbara Klein is having technical difficulties with her network at the office; hence, this mini edition. We should be back to the regular edition next week.

### The Boat that Became the Float!

USS California was built at the Carriage House Museum [shipyard] last week by Craftsman Walt Stephens and his crew. Walt then had to leave the area and left the finish work to his Rotarians.

The ship was launched on Friday, August 1<sup>st</sup> a mere 100 years since its original predecessor set sail. Viva La Fiesta!

### Last Week's Craft Talk by Dan Singer

Our scheduled speaker was not available and Dan kindly gave us an overview of his family, education, career path and mentors. Thank you!!!

Dan got one more item check off his Red Badge list.
